

Light the Night for Sight is an evening walk celebrating the gift of sight and emphasizing safe summer celebrations. The walk is designed to raise awareness about the dangers of consumer fireworks, educate the public on the importance of sports eye safety and UV protection and provide information on how to preserve sight.

Registration is from 6:15pm to 7:15pm with the walk beginning at 7:30pm. Walkers will enjoy a stroll on the trails around the Johnston Library. There is no entry fee to participate, however walkers are encouraged to collect pledges. \$100 in pledges will earn you a glow-in-the-dark t-shirt. Johnston Green Days activities will include a carnival, beverage garden, food, music and more!

Register online at www.preventblindness.net/Insiowa.org

Contact Prevent Blindness Iowa at 515-244-4341 or mail@preventblindnessiowa.org for more information.
